Welcome back to Term 3 and to the start of another exciting and eventful term for our students, staff and school community.

**Stop and Drop Zone**
As advised on the first day of term, the City of Melton have designated a ‘Stop and Drop’ zone at the front of the school and installed the relevant signage and parking controls to support this initiative. The zone has come about as a result of feedback to staff and School Council who have worked with the City of Melton to support improved traffic control and, as a result, greater safety for our staff and students. Please adhere to the traffic regulations and signage as we work together to create a heightened sense of safety for our whole school community.

**Car Park**
The staff car park is now complete and should ‘free up’ a number of spaces around the school for pick up and drop off of students. Please consider the needs of others and ensure that you leave the school in a timely manner and free up spaces as soon as practicable.

**School Review**
Thank you for your feedback and input into the review of our school policies, processes and practices. We will now be working with focus groups of students and staff to review and celebrate our successes over the past four years as well as considering future curriculum development and initiatives. As we continue the School Review over this term we will keep you informed of the outcome.

**Enrolments**
We will be sending out letters for Prep enrolments for 2017 over the coming week and would like to thank you for enrolling brothers and sisters of our current students in such a timely manner. If you have not yet enrolled any siblings it is critical this is done immediately as we cannot ‘reserve’ spaces for children we are unaware would like to attend in 2017. Likewise if you are moving out of the area, or your children are relocating to another school in 2017 please notify the office as soon as possible as we have an extensive waiting list.

**5Cents Campaign**
Congratulations to our Junior School Council who raised $2,239.35 from the YGAPS 5Cent Campaign which will contribute to the education of many children around the world. Well done to all students who donated.
Parent Support
Parenting is not always easy, and from time to time, all families can benefit from extra support. Parentline offers a confidential, anonymous telephone counselling, information and referral service for all Victorian parents and carers with children from birth to 18 years of age. Professional counselors are available to discuss issues including child behavior and development, parent-child relationships, family violence, family breakdown and parental stress. Parentline is available 7 days a week from 8am to midnight every day of the year on 132289 or you can visit their website www.parentline.vic.gov.au.

School Fees
All school fees should now be paid in full unless you have a special payment arrangement with the school. If you have not paid the balance of school fees please contact the office to make arrangements.

Assembly
The day for our Junior School assembly will change this term and will now be on Wednesdays at 2:45pm. Senior School assembly will remain on Thursdays. Assemblies will recommence on Wednesday the 20th of July then fortnightly thereafter.

Class Captains
Our Class Captains for Term 3 stood proudly as they were presented with their badges during the end of term assembly. We are looking forward to them representing the school through demonstrating the PYP Attitudes and dispositions including: Appreciation, Commitment, Confidence, Cooperation, Creativity, Curiosity, Empathy, Enthusiasm, Independence, Integrity, Respect and Tolerance.
