3. BACKGROUND AND LEGISLATION

Background

The Department of Education and Training (DET) provides per capita funding as a contribution towards the costs of the four-year-old kindergarten program. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible families to attend the four-year-old kindergarten program at minimal or no cost.

DEECD also funds eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in the *Victorian kindergarten policy, procedures and funding criteria* (refer to *Sources*).

DEECD requires that funded services have a comprehensive written fees policy in place, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2)(n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must

also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service. The *Victorian kindergarten policy, procedures and funding criteria* (refer to *Sources*) outlines the criteria to be covered in the policy.

Fee information for families

Kororoit Creek Kindergarten 2018

1. Why fees are necessary

The Department of Education and Training (DET) provides per capita funding as a contribution toward the costs of providing a four-year-old kindergarten program. Services meet the balance of costs through charging fees and fundraising activities.

DEECD provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a four-year-old kindergarten program free of charge, or at a minimal cost.

DEECD also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Kororoit Creek Kindergarten provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants or fundraising
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of the *Kindergarten Fee Subsidy – Fees Policy* (details in the *Victorian kindergarten policy, procedures and funding criteria* document available at www.education.vic.gov.au/ecprofessionals/kindergarten/)

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point.

3. Other charges

Other charges levied by Kororoit Creek Kindergarten are included on the Statement of Fees and Charges. These include:

- **Excursion/service event charge:** This additional charge is required to cover the cost of excursions or special events that occur throughout the year in response to emerging children's program needs and interests. Affordability and relevance to the children's interests and the service program will be taken into consideration before a decision is made that will require families to pay this additional charge (refer to *Excursions and Service Events Policy*). Events that are planned ahead are included as an expenditure item in the service's budget and do not incur this additional charge.
- **Late collection charge:** The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management.

4. Statement of fees and charges

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

5. Fundraising

Not all service costs are covered by DEECD per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

6. Subsidies

6.1 Kindergarten Fee Subsidy (four-year-old programs only)

The Kindergarten Fee Subsidy is provided by DEECD and enables eligible children to attend kindergarten free of charge or at minimal cost. Eligibility conditions change from time-to-time – contact the service for further information.

6.2 Early Start Kindergarten fee subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

7 Payment of fees

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided for all fee payments.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Principal, Kororoit Creek Primary School to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

8. UNPAID FEES

If fees are not paid by the due date, the following steps will be taken.

. An initial reminder by phone or email to parents/guardians with a specified payment date and will include information on a range of support options available for the family.

, Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.

. Failure to attend the meeting and continued non-payment may result in a second and final notification to parents/guardians that the child's place at the service may be withdrawn unless payment is made, or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.

. The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.

, If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.

9 Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management. There will be no refund of fees in the following circumstances:

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
