

Wellbeing

To continue to focus on the wellbeing of each individual child and staff member.

Learning- Numeracy

To increase the percentage of students who have made above expected growth.

Student Agency

To empower our students to feel more connected in the classroom, to their teachers and build authentic agency within their learning.

Student Voice

To empower our students to have an active voice within our school community.

Connection

To intentionally build connections within and beyond our school community. To continue to foster partnerships with our parent community and encourage their involvement with the school.

Connection
