PURPOSE

To explain to parents/carers:

- when parent/carer consent is required before photographing, filming and recording students
- how consent can be provided and withdrawn.

SCOPE

This policy applies to the general collection, use and disclosure of photographs, video and recordings (images) of students.

The policy does not cover the:

- use of Closed-Circuit Television (CCTV). The use of CCTV is covered in the department's CCTV in Schools Policy.
- use and disclosure of photographs, video and recordings of adults.

POLICY

There are many occasions during the school year where staff photograph, film or record students participating in school activities or events, for example Celebrations of Learning, classroom learning experiences, school magazine or newsletter, sports events, concerts, excursions and camps. On some occasions students film or take photos of each other for classroom or portfolio use. We do this for many reasons including to celebrate student participation and achievement, showcase particular learning programs, to keep in the form of a digital portfolio, document a student's learning journey (camps/ excursions/ sports events), communicate with our parents/carers and school community in newsletters and on classroom blogs or Compass.

This notice applies to photographs, video, audio or any other recordings of students that are collected, used and disclosed by the school. We ask that any parents/carers or other members of our school community photographing, filming or recording students at school events (e.g. sports events, school picnics, Exhibition, Celebrations of Learning etc) do so in a respectful and safe manner and that any photos, video or recordings ("images" of students are not publicly posted (e.g. to a social media account) without the permission of the relevant parent/carer.

There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Kororoit Creek Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

Consent

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting Kororoit Creek Primary School (KCPs) at kororoit.creek.ps@education.vic.gov.au. If consent is withdrawn verbally, the school will make a written record of this. However:

Parents/carers who choose to opt out of having their child participate in official school photographs must contact Kororoit Creek Primary School (KCPS) at kororoit.creek.ps@education.vic.gov.au before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs taken. However, the school will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.
