Dear families,

Today's newsletter is a modified newsletter as we are changing the day that our newsletter is sent out to families. The newsletter will now be sent out on Monday afternoons, this will now alternate with assembly each fortnight.

Assembly next Monday

The next Assembly will be held at 9.05am next Monday, the 20th of February. The Prep-3 students will attend the Gym this time, and parents of these cohorts are invited to attend. The grade 4-6 students will be watching the assembly from their classroom via a video link, which will be sent out to parents via Compass before the assembly begins.

Parking over driveways

We have recently received several complaints from local residents regarding families parking over driveways or sometimes even in driveways. Please be mindful of our neighbours when dropping off and collecting your child- you should never park across a driveway as you can imagine this would be very frustrating if you were unable to

access your own driveway.

Child Safe Policies

As part of our compliance with the new Child Safe Standards, we have added several policies to our website, these are in the policies tab should you like to read them.

Swimming reminder

This week is the first week of swimming for our 3-6 students, please remember to send your child to school with their swimming bag on their swimming day. Swimming fees are due by the 24th of February. Thank-you to those families that have already paid.

Prep welcome

Thank-you to all of the families that came to our Prep Parent Coffee Morning last week, it was lovely to meet some new faces and have a chat. I hope it gave you a chance to meet some new prep parents and build some new connections within our community.

KCPS Community Picnic

Our annual school picnic is fast approaching on Wednesday, 1st of March from 4-6pm. Last year we had a fantastic turn out with almost all of our community coming together for this event. This year we are hoping to make this even more exciting than last year's, with a host of fun activities for all ages. We will have a range of food options on offer, including a BBQ also catering for halal and vegetarian options. Our aim for this event is to fundraise for the remainder needed for a school long-jump pit. This will help enhance our PE programs and support our Athletics Days moving forward. We encourage families to bring along their picnic rugs and join in the festivities with us. Keep an eye out for updated information in the coming weeks. We hope to see you all there!

Reminder: Walking School Bus commencing Friday 24th February

If your child is interested in participating in the Walking School Bus, a reminder to please complete the [consent form](#) and hand it in to the school office. The bus will be walking each Friday, commencing on the 24th of February.

Meet the 2023 Student Leaders!
