Wow, can you believe we are nearly at the end of a very busy Term 3!

Hats

A friendly reminder that as of yesterday, **all children MUST wear a school hat** when outside for both lunch and recess as well as during PE etc. This is regardless of the daily temperature and is aligned with the DET SunSmart policy.

Please ensure that your child has their hat at school and it is clearly labelled with their name. Children who do not have a hat will be directed to play in a supervised shaded area, which will mean they won't be able to play on the oval or any of the playgrounds.

We also have our new hats that are available at the front office for \$12 each.

Our new hats have a much wider brim and therefore provide additional sun protection for our students. Students are still able to wear their old hat.

Student pickup during Assembly

I kindly request that you please avoid picking up students during Assembly where possible, as it is very disruptive having to collect students mid-assembly. If you do need to pick your child up early on an afternoon where there is an Assembly, please try to collect them before or after the Assembly.

Our next Assembly will be held at 12.45-1.15pm on the last day of term, Friday 19 September.

In Term 4, Assemblies will be held at 2.30-3.00pm on Tuesdays during odd weeks (Week 1, Week 3...)

Parent messages to students throughout the day

The office has been receiving an influx of calls from parents requesting that messages and reminders are passed on to their child. I ask that parents please make any arrangements they need to with their child before school. If you are worried about your child forgetting, it might be a good idea to include a reminder note for them in their lunchbox.

Cricket Nets

You may have noticed that we have had some work happening behind the Grade 2 relocatable building. We are very excited that our cricket nets are being built sooner than expected which is very exciting! We have lots of cricket loving students across the school so we are excited that our new nets will give them a great spot to play and practice!

Fence update

Works on our boundary fence are progressing, and we are pleased to announce that installation will be completed over the school holidays. We are looking forward to having it finished!

Father's Day Stall parent volunteers

A BIG THANK YOU to the parent volunteers that helped us with our Father's Day Stall last week!

Thank you to Gigi Avati, Veronica Gentile, Paula Grima, Mel Azzopardi, Michelle Azzopardi, Yanni Li, Renee Bugeja, Des Arana, Pembe Kadir, Kylie Falzon, Lily Le Guier, Ruby Panakkal Kochappan, Angelca Ivanov, Darshi Mehta, and Jaye Lim.

E-scooters

I recently attended a Principal Network meeting where the local community policing unit attended to discuss local issues and concerns. E-scooters came up as high level of concern, the police have asked us to remind you all of the dangers of e-scooters and that children below the age of 16 should not legally be riding them.

Kororoit Creek Primary School has a zero tolerance for any form of child abuse

Parent Opinion Survey Reminder

There is still time to complete the Parent Opinion Survey! If you would like to complete the survey, please do so by Friday 19th September, the link to the survey can be found in the Compass Event.

We are holding a raffle for those that choose to complete the survey where you will have the opportunity to enter the draw to win a prize. The prizes include 6 x \$30.00 PSW vouchers. To be included in the raffle to win a voucher, you will need to consent to the Compass Event and save proof of completion of the survey in the event that you win! Prizes will be drawn early next term- good luck!

There is lots coming up over the next fortnight that we are looking forward to:

- Celebrations of Learning throughout this week
- Footy Colours Day this Friday
- Divisional Athletics this Wednesday and District Girls Basketball Tournament this Friday
- Swimming Showcases next Monday and Wednesday
- Year 6 Exhibition Excursion next Wednesday
- Year 3 & 4 Maths Challenge Games at Aintree Primary next Wednesday
- Friday 19th September- end of term Assembly at 12.45pm, **students are dismissed at 1.30pm**

Have a great fortnight,
Beth

STEAM Night

On Wednesday night of Week 5, we held our Annual STEAM Night — and what a fantastic event it was! It was wonderful to see so many of our community come together to celebrate learning, creativity, and innovation.

A special thank you goes to our incredible STEAM team — Jasmine, Liam, and Heath — for all their hard work in organising the evening. Your dedication and energy made the night such a success.

We'd also like to congratulate our STEAM Night Prize Winners, who completed their passports on the night and were lucky enough to win a Zoos Victoria Membership:

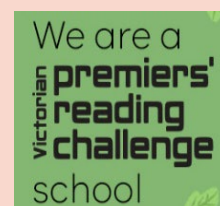

Prep: Amyra (H05)
Year 1: Sharon (H12)
Year 2: Ava (H27)
Year 3: Isaiah (H33)
Year 4: Hale (H34)
Year 5: Muhammad (H42)
Year 6: Roha (H49)

Once again, thank you to everyone who came along, participated, and supported our school. Events like these truly highlight the strong and connected community we are proud to be part of.

DATES TO REMEMBER

- 10 September** – Divisional Athletics (selected students)
- 10 September** – Celebration of Learning – Year 1 at 9am
- 11 September** – Celebration of Learning – Prep at 9am and Year 3 at 2:30pm
- 12 September** – Celebration of Learning – Year 4 at 9am and Year 5 at 2:30pm
- 12 September** – Footy Colours Day. Gold coin donation for Cancer Council & special lunch order
- 12 September** – District Girls Basketball Tournament (selected students)
- 15 September** – Swimming Showcase
- 17 September** – Year 6 Exhibition Excursion
- 17 September** – Swimming Showcase (excluding Year 6 due to the Exhibition Excursion)
- 17 September** – Year 3 & 4 Maths Challenge Games at Aintree Primary (selected students)
- 19 September** – End of term Assembly at 12.45pm. Years 4-6 in the Gym
- 19 September** – Last day of Term 3. **Students are dismissed at 1.30pm**
- 6 October** – First day of Term 4
- 9 October** – Year 2 Lady Northcote Day Camp
- 13-17 October** – Sempar Dental
- 13 October** – Year 1 Black Snake Incursion- H10, H11, H12 & H13
- 14 October** – Year 1 Black Snake Incursion- H14, H15 & H16
- 16 October** – Year 3 Sleepover
- 20-22 October** – Year 4 Camp Wyuna, Group 1- H37, H39 & H55
- 22-24 October** – Year 4 Camp Wyuna, Group 2- H34, H35, H36 & H38
- 23 October** – Year 1 Disco
- 3 November** – Curriculum Day. **Students do not attend school**
- 4 November** – Melbourne Cup Public Holiday. **No school**

Melton Council Short Story Competition

Melton City Council recently held their awards night for the Short Story Competition. We had many students enter and recognized for their efforts!

A special mention goes out to the below students:

Paul in H58- 2nd place in his age group

Ella in H53- best first-time entry

Micah in H53- best first-time entry

We also had one of our incredible staff members, Shannon Anderson, enter in the adult division, coming 3rd!

Well done to all entrants and a huge congratulations to our winners.

Student Achievement

One of our Grade 5 students, Billy Kolevski has been selected to represent Australia at the IFMA Youth World Championships 2025 in Abu Dhabi, where he will be competing in Muay Thai within his age and weight division. The competition will take place from 10 - 20 September. This is a wonderful opportunity for Billy and a recognition of his hard work, commitment and dedication to the sport. We look forward to sharing his progress with you. Congratulations, Billy!

ENTERING THE CLASSROOM

LINING UP DURING MORNING MUSIC

During Term 3, our whole school has been focused on ensuring students line up promptly as soon as the morning music begins. This routine helps students enter the classroom calmly and in an orderly manner, ensuring they are ready to learn.

Students have been practising:

- Going to their classroom as soon as they hear the music
- Lining up in pairs
- Standing with even spacing in a designated spot

It has been wonderful to see so many students following these expectations and contributing to a safe and respectful school environment.

Classes that have consistently demonstrated these behaviours have been recognised with shout-outs and AiA points!

**WHEN WE HEAR
THE MORNING MUSIC**

**WE LINE UP OUTSIDE
OUR CLASSROOM**

Specialist News

Bonjour!

MUSIC

This week in music, Grade 3 students have been learning to compose music to match a Minecraft biome. First, students were explicitly introduced to the structure of major and minor chords and learnt about the difference in tonality (happy and sad sounds). Next, they explored how to play these chords on a glockenspiel. They learnt how to form simple ostinato (repeated) patterns using a chord of their choice to match the emotion of their biome. Along with this, students created rhythms on instruments such as the djembe, clave and egg shaker. At the end of the lesson students shared their creations to the class.

ART

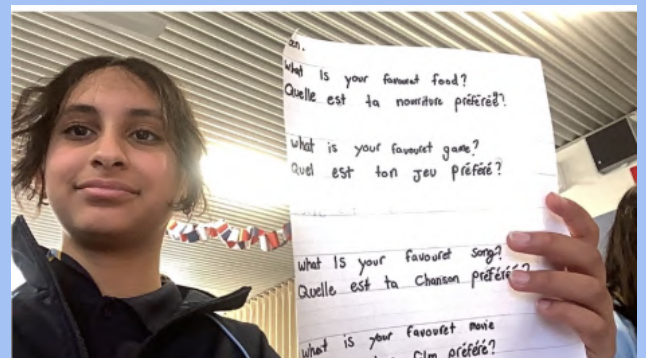

This term, Grade 1 students have been exploring abstract art. They have been learning the fundamentals of abstract art and how to create it by using the concepts of lines, shapes and colour. Students have also been exposed to different types of abstract art such as paintings from Hilma Klint or the Miro. This week, Grade 1s have dived deeper into the art of Miro by playing the 'roll a Miro' board game that allowed them to create randomised Miro creatures that linked to the 'automatic drawing' technique used by Miro. We cannot wait to see all the beautiful artworks they will keep creating this term!

PE

The Grade 6 students have started their exhibition inquiries. Students created a Word Cloud of issues they have faced in sports within school and the wider community. The Word Cloud demonstrated the top three issues that the students may have come across. The top three issues will be explored further within their P.E lessons to develop a deeper understanding and to possibly take action. Alongside exhibition, students are participating in the CEPEP program, where they choose roles and responsibilities to run a successful sport event. Some of the roles and responsibilities include; captain, timekeeper, scorer, media or coach.

FRENCH

This term, the Grade 5 students are pretending to be celebrities and are working towards having an interview. They have started their draft by introducing themselves as well as sharing their likes and dislikes. Then, they have described their physical appearance such as describing their eye and hair colour. They are currently working on drafting their interview questions. Students have engaged in games such as wordwall and kahoot to prepare themselves to write their sentences. Keep it up!

Specialist News

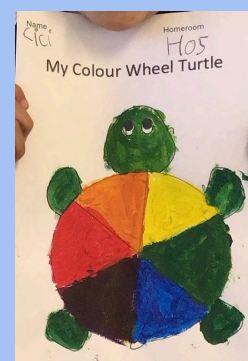

Bonjour!

MUSIC

The Grade Four students have been exploring how a film score and Foley sounds enhance movies and engage the viewer. They have explored how the musical elements can communicate an emotion or feeling within a film to reinforce the moving image. Using a cartoon video clip with the sound removed, students planned their ideas for the film score identifying which musical elements they would like to use to show the feeling of each scene and included Foley sounds to accentuate the actions. Throughout this unit, students have developed a range of iPad skills using GarageBand, iMovie and Google Classroom to create their projects.

ART

This term, the Prep students have been investigating painting. To begin the unit, they explored how to mix primary into secondary colours and created a turtle colour wheel. They then looked into the difference between watercolour and acrylic paints, and explored different mark making techniques using combs, forks and bottle cap lids. The students are now using this knowledge to create their own painted fan artwork. We are very excited to see their finished artworks!

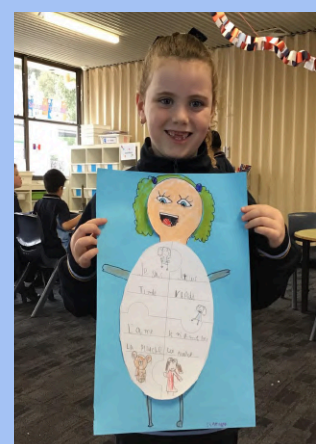

PE

Congratulations to the boys that participated in the District Basketball tournament. The team played four games against different schools in grouping A, losing only one game for the whole day. Our team ended up placing second on the grouping ladder and played a final game against the second placing team in grouping B which they won! The boys should be proud of their efforts with attending all training sessions and playing well on the day.

FRENCH

In Grade 1, students have been working on describing themselves using adjectives. They have also engaged in activities such as pictionary and memory cards in order to learn the vocabulary for different toys. Then, they used their knowledge of 'j'aime' (I like) and 'je n'aime pas' (I do not like) in order to share with others what toys they like and do not like. They have published a puzzle representation of themselves that includes all the information. Great work, Grade 1!

Mental Health in Primary Schools

R U OK? Day

It can be difficult to manage various peer-to-peer situations that arise in the school day. The link below contains an interactive video that invites primary school students, supported by a trusted adult, to 'choose their own journey' while navigating feelings and choices during R U OK? conversations. Students will learn personal and social skills and increase their confidence to be able to have an R U OK? conversation with a friend. Simply pause the video at decision points to discuss the appropriate action.

Find the way to ask R U OK? <https://drive.google.com/file/d/1S-b1WCrqdyWPyktwjhuXk7OqW4G3eEe/view?usp=sharing>

While children can't be expected to fix someone's problems, they can be encouraged to listen to what their friend is saying, show they care and tell a teacher, school counsellor or trusted adult if they are worried about their friend. The short video below shows students how they can do that.

How to be a good friend and ask are you okay?

<https://drive.google.com/file/d/1z5N89urfZAgwC1D5JWlod46CZH7bWOI/view?usp=sharing>

R U OK? Day is this Thursday 11th September 2025. Please find the resources attached that can support in having conversations with those around you.

To commemorate R U OK Day? students will be participating in activities within their classroom to help them learn how they can support each other and be good friends.

The above information sourced from: <https://www.ruok.org.au/>

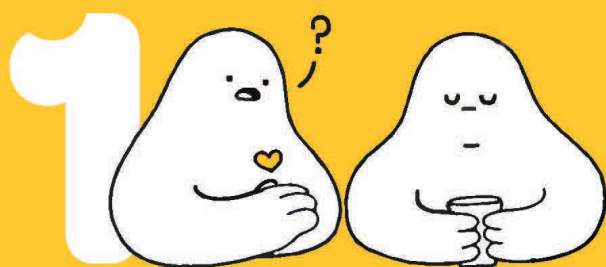

School Holiday activities

The Melton City Council offer various no-cost and low-cost activities to engage pre-school and primary aged children (and beyond). Some of these are run through the council themselves and others via local businesses within the municipality. See the attached flyers for some opportunities occurring this September holidays. There will be some great opportunities to keep children engaged over the break.

Ask

RUOK?™

Have a conversation using these 4 steps

How are you travelling?

You don't seem yourself lately – want to talk about it?

Ask R U OK?

I'm here to listen if you want to talk more.

Have you been feeling this way for a while?

Listen

What do you think is a first step that would help you through this?

Have you spoken to your doctor about this?

Encourage action

Just wanted to check in and see how you're doing?

Have things improved for you since we last spoke?

Check in

Learn more at ruok.org.au

Ask

RU OK?™

Make staying connected and asking RU OK? part of your everyday

Start by asking "Are you OK?"

No, I'm not OK.
Dig a bit deeper:

"What's been happening?"

"Have you been feeling
this way for a while?"

"I'm ready to listen
if you want to talk."

Yes, I'm fine.
But your gut says they're not:

"It's just that you don't seem to
be your usual self lately."

"I'm always here if
you want to chat."

"Is there someone else
you'd rather talk to?"

Listen with an open mind

Encourage action and offer support:

"How can I help?"

"What would help take the pressure off?"

"What do you enjoy doing? Making time for that can really help."

"Have you thought about seeing your doctor?"

Make time to check in:

"Let's chat again next week."

Booking & Payment Procedure

Bookings open at 9am on Monday 1 September 2025.

Enrolment form to be completed online.

Please make your bookings at
melton.vic.gov.au/YHA

We offer a range of programs for young people between the ages of 12 - 25. However, we encourage parents and guardians to inform us if their young person requires additional support to participate in the activities listed here. We also encourage guardians' to check if the activity is suitable for their young person before booking.

No Supervision

This is a program where Young Communities do not provide supervision during attendance.

Partial Supervision

Your young person is able to leave the supervision of Youth Workers and be responsible for returning to a designated location at a specific time.

Full Supervision

Young people will be under constant supervision during a program. If your young person requires constant supervision, programs marked No/Partial Supervision may not be suitable.

Please get in touch with Young Communities if you wish to discuss the specific needs of your young person.

Pick-up locations

Each activity description will stipulate if transport is included.

Friday Before the AFL Grand Final Public Holiday

Friday 3 October

Spring into fun

We'll learn how flowers bloom, how bees pollinate, and how change can be beautiful, all while buzzing through active games, joyful creativity, and springtime smiles.

\$92.00 per child

Kororoit Creek Primary School OSHC

Please see our website for information on how to book, FAQs, current programs, arrival times, what to bring and details. Activities subject to change, see website for the most up to date list.

Printed program details accurate as of 13.08.25

CHILD SAFETY AT THE Y

View our Child Safety Booklet:
